

## SESSIONS

**In-Studio Session \$30.00**

**On-Location Session \$60.00**

*(plus .50 cents per mile over 10 miles)*

A session consists of one theme and one background and up to one hour. There are no additional charges for the number of people being photographed, for changes of clothing, or prop usage. However, each session is limited to one hour and generally consist of approximately 20 digital exposures.

## PROOFING

*Due to the unfortunate, illegal abuse of today's high quality scanners, we have been forced to change our pricing structure.*

**We will no longer offer individual 4x5 proofs**

Proof collections are sold in a hardback book for \$200 (includes all proofs).

OR

Leather Portfolio's include 8 proofs \$125 or a digital custom design \$150.

OR

4x5's are sold by the sheet (includes 4-4x5's of same pose)

Digital Portfolio (custom design) \$150

Proof Book (\$200)

Proof Folio \$125

## BUILD YOUR OWN PACKAGE

Check out the new sizes!! Minimum of 5 sheets!!

\$5 per pose & \$20 per sheet

Choose Your Sheet Size & Pose

A "sheet" is an 8.5x11 piece of photographic paper.  
You can choose the layout of sizes (A thru G) that you want printed on each "sheet" you order.  
A "sheet" must consist of the same pose, however, the next "sheet" you order can be a different size composition and different pose. The choice is yours!

A	B	C	D	E	F	G
1-8x10	2-2.5x7	4-4x5	8-2x3	1-5x7 & 2-4x5	1-5x7 & 4-2x3	2-4x5 & 4-2x3

1. Pick your favorite poses.
2. Choose the size of each sheet you would like to order of each pose. (ie: A,B,C,D,E,F or G)
3. Simply count the number of poses and multiply by \$5.
4. Count the number of sheets you are ordering and multiply by \$20.
5. Add these two prices together for your total package price.

# WALL PORTRAITS

Enlargements are adhered to photographic dry mount boards. Mounting your photograph will greatly extend the life of your portrait by completely sealing the surface which will protect it from UV ray deterioration and will also allow the print to be wiped clean with a damp cloth. Standard Dry Mounts have a smooth, flat finish. Linen and Canvas are both textured with a cloth finish. Linen has a softer effect than canvas.

**All wall portraits arrive on Standard Dry Mount boards. Additional fees for linen texture and gallery wraps. Many types of special effects can be added to wall portraits such as brush strokes and metallic paper. Please ask to see samples if interested.**
